Sea Save Foundation

Sea Save Foundation stands witness to the health of the oceans and the threats they face, we document problems and develop solutions, arm people with knowledge, and tools so they can make a difference. With the public as our ally, we go to the United Nations and other global bodies to affect international change. We attend these meetings so we can offer creative, economically viable, sustainable, and environmentally friendly plans to decision-makers.

OCEAN WEEK IN REVIEW

SEA SAVE FOUNDATION

Join the Movement

Ocean Week in Review is more than just a news digest; It's a movement towards a more informed, proactive and passionate global community. Be part of the journey to make a real impact and lasting change.

Subscribe

The ocean's health is in constant flux, influenced by human actions, climate shifts, and nature's rhythm. By keeping updated on the latest research and policies, you can be at the forefront of ocean conservation. Get ready to dive into the facts and champion our oceans with informed passion!

Knowledge empowers you to:

- Act decisively
- Craft compelling stories
- Truly make a difference

Our oceans face increasing threats from pollution, plastics and overfishing to the ever-pressing challenges of climate change and habitat destruction.

At Sea Save Foundation, we recognize the vital importance of staying informed about the ever-changing dynamics of our marine ecosystems. That's why the *Ocean Week in Review* (OWIR) is your indispensable source for all things ocean-related

“A short, smart read. I look forward to it every Friday. And it is free, this is a no brainer.”

What is the Ocean Week in Review?

In today's fast-paced world, staying informed about the ever-changing dynamics of our oceans is both a challenge and a necessity. The "Ocean Week in Review" serves as a beacon of knowledge, ensuring that you're not just informed, but empowered. Here's why it's indispensable:

- 01 Quick Digest:** Stay updated on ocean events in just moments with our weekly roundup.
- 02 Authentic News:** Full, unfiltered stories ensure you get the complete picture.
- 03 Trusted Sources:** We prioritize balanced, nonpartisan publications and primary materials for credibility.
- 04 Become an Ambassador:** Armed with knowledge, you can be a powerful advocate for our oceans.
