

EXPERTISE IN ACTION

You Can Help
Save a Species

Don't buy
and import
products
from
CITES-
listed
animals

Sea Save Foundation

*Led by a Master's in CITES
Studies and Experience*

*Guardians of the Sea:
A Decade at CITES CoPs*

Did you Know?

CITES

Regulates **INTERNATIONAL** trade of
endangered species but has **NO**
jurisdiction on **National** laws.

Sea Save in Action

CITES - Convention for International
Trade of Endangered Species

Because it will take the whole
world to protect their future

*Securing the future of
marine life through
international
cooperation and
policy.*

Our Presence Their Future

- **Expert Advocacy**
- **Policy Shaping**
- **Marine Conservation Leadership**

Impact Through Influence

Over a decade at CITES
hundreds of species
safeguarded
